TOP TEN SENIORS

The Top Ten Graduating Seniors are the ten individuals who have achieved the highest accumulative grade-point-averages at Fairfield High School. These students obviously deserve recognition for their diligence and intelligence. This year's Top Ten ranges in grade-point-average from a 3.65 to a perfect 4.0. The students in this layout are the top ten seniors as of April, 1984. However, because the official rankings were not available for the yearbook deadline the students are listed in alphabetical order rather than by specific rank.

Drama Dept.

The Drama department started the school year off with a boisterous and energetic event: the **Third Annual Spook House**. This enormous undertaking required approximately 100 cast and crew members, nine new exhibits, and entertained roughly 7,000 people over five nights in late October.

This fantastic undertaking was followed in late December by the wild and zany **Cabaret**. For eight nights, theatre-goers enjoyed dinner set in a Tropicana-like atmosphere followed by an outrageous show which featured spicy Can-Can dancers, Vaudeville comedy acts, Torch-song soloists, choral arrangements and a black-lite act. The evening was ended in a Christmas medley Gala consisting of the whole cast, including the Thing in a Box, our mad-capped puppet co-master of ceremonies.

During the months of January and February, while the department experienced a lull in the activities in order to organize the spring season, several performances were given by **Energy Inc.**, the department's improvisational group. The department was also treated to performances and master workshops given both by pantomimist Joe Zavala and the Mills College Dance Co.

In March, the department set the spring season in full swing. The final rehearsals were being completed for **Bullshot Crummund**, a fast-paced upbeat of twenty. Also in the works was the Dance Co's **Dance on Taps**, which featured tap, modern jazz, modern ballet, classical ballet, and magnificent solos.

In conjunction with the drama department, this year's Shakespeare class presented Shakespeare's highly ticklish **Love's Labour's Lost**. This lighthearted production was one of several projects, along with others such as **Energy Inc.** and **Musical Theatre** workshops, which helped wind up one of the most diverse, enthusiastic, and energetic years that Fairfield High School's Drama department has undertaken.

The 1983-84 Fairfield High Cross Country team continued in a winning tradition. Their enthusiasm and dedication was impressive and encouraging. This team spirit will be most important in building into a future championship team.

Coach Encalada was pleased with the continued increase in the numbers of runners that came out to run this season.

The Senior standouts were Harriers Captain Darrin Berardi and rookie Karl Wurzbach.

The Junior runners were strong in both numbers and talent. They were led by Mike Soldwisch, Sam Bailey, Mike Mikolajcik, and Kevin Hall.

The future success of the Harriers rests with a group of talented, ambitious young runners. Determination brought the Frosh-Soph team the Co-Championship with a tough vacaville team. The Frosh-Soph standouts were Eric Martinez, Jake Mikolajcik, James Burns, Cory Sheldon and Rich Llacuna.

The Harriettes continue to build in number. The Senior girls Antonette Garcia and Maria Kalis set good examples with team spirit and motivation. Sophomore sensation Clariza Aguillon and the Freshmen girls show potential and a great deal of enthusiasm by winning the Sac-Joaquin Sub-Section Frosh-Soph Girls Championship Division.

In years to come the Fairfield High Cross Country program will be a team to watch. The BIG RED MACHINE is on the move!

WATER POLO

FHS's water polo team came up winless during the season, but good things still came from their play.

For a first year team, the team played well and showed signs of improvement in several games. The Falcons lost three games by two points or less and one of those was lost in overtime.

Against a more experienced and faster Armijo team, the Falcons played well and lead once only to lose 5-4. Another close game came when the team played Hogan. The Falcons jumped to an early lead only to see the game tied at the end of the regulation, 9-9. An overtime followed and FHS lost a close game, 11-9.

Fairfield Wrestling 1983-84

It was a great year for Falcon Wrestling! The varsity compiled an overall 13-5 record with a 5-1 second place finish in the M.E.L. Leading the team was junior Mike Liebergot and sophomore Randy Swanson, who together combined for over 65 wins. Paul Velebit, the only senior on this year's varsity team, provided the experience and leadership to help make the season a success. With only one senior graduating, look for great things from next year's team!

The junior varsity compiled an overall 9-1 record and a second place 5-1 league record. Steve Kirkpatrick led the team with over 10 pins. The junior varsity and novice teams contributed greatly to the varsity's success, and will be counted on moving up in 1985.

The 1983-84 Falcon wrestling team, along with coaches French and Scott, wish to thank the parents, staff, and F.H.S. booster club for their support this year. Wrestling — Not just for Better Athletes... Better Kids!

EDITOR'S MESSAGE

I want to thank my staff for all of your tremendous help and support in producing the yearbook. Your hard work and efficient manner made the yearbook a success.

I particularly want to thank Mr. Trekell for being so patient in guiding me for the past three years.

Last but not least, my thanks to our assistant editor, Sam Bersola, for making my job a lot easier.

You were all wonderful co-workers and friends. Again, thank you so much.

Renee C. Allen
